ANTIOCH, ILLINOIS, THURSDAY, MAY 14, 1964

VOL. LXXXVIII. NUMBER 46

FRED GRAS IS SHOWN presenting an American Flag to the Antioch Grade School Band Parents Association on behalf of the Antioch VFW Post. Accepting for the Association are Oliver Hunt, President and George Oliver, band director at the Antioch Grade School.

MRS. HENRY PALM receives a scroll and a corsage from Mrs. Daniel Ryan, Cook County Commissioner, at the tenth annual "Foster Mother of the Year" ceremonies at the Sherman House.

## Mrs. Palm Honored As Foster Mother

Mrs. Henry Palm, Rt. 3, Antioch, received a scroll and a corsage as a "Foster Mother of the Year," on May 5 in ceremonies at the Sherman House in Chicago.

Mrs. Palm represented the Lake Bluff Children's Home at the ceremonies. She was one of sixteen finalists who were chosen for their outstanding service to the community and to the homeless children they took into their homes.

Foster families are paid all expenses of board, clothing and medical expenses, but still give a great deal of themselves, and their contributions are beyond valuation, according to welfare authorities.

The children for whom they provide a home are rarely given up for adoption, but for one reason or another can not be at home with their parents. The foster home provides them with a normal home life, missing in a crowded institution.

Mrs. Palm has taken in six children in the six years that she has served as a foster mother. Five were from Lake Bluff, one from Alton. At present, she is providing a home for two girls—a 14-year-old foster daughter who has been with her three years and graduated from Antioch Grade School, and a 12-year-old girl who has been with the Palms one year.

They have previously had a boy for a short time; two young sisters for 2½ years,

## PTA Awards Scholarship

James Wojczyński, a 1964 graduate of Antioch Community High School, has been awarded the A.C.H.S. Parent-Teacher's Association scholarship.

The selection of Wojczyński for the scholarship was announced by J. W. Kemmerer, Guidance Coordinator of the school. Wojczyński was selected by the scholarship committee of the PTA, comprised of PTA President Dorothy Thompson, Rosemary Eckert, Albert L. Dittman, Warren Polley and Mr. Kemmerer.

Basis for awarding the scholarship is the scholastic record of the student, leadership qualities, evidence of need, and the student's desire and ability to complete the course of study which he starts.

The scholarship is for one year and is a \$200.00 grant. Students must make application for it, and may attend any school of higher learning they desire. Mr. Wojczyński plans to enter the University of Illinois for the 1964-65 school year.

## Downtown Parking Lot Discussed

A committee of business men, working on the establishment of a parking lot east of Main St. in Antioch, met with a committee of the Village Board Sunday to discuss the project.

The two committees went out and viewed the proposed site while discussing the problems involved. The business men hope to have a secondary street and parking lot installed behind the stores on the east side of Main St.

After the meeting, Einar Petersen, chairman of the committee, promised the business men that he and the committee would do all they could to hasten the project.

A committee representing the business men presented a petition bearing about 170 names to the Village Board at their May 4 meeting asking that the improvements be installed. Joe Patrovsky, chairman of the committee, spoke for the group, and said that the project has the full support of the Chamber of Commerce.

Robert Taylor, who has worked on the project for some time, and Joe Patrovsky represented the business men at Sunday's meeting. Einar Petersen, Mayor Merrill Cunningham, Roger Williams, Ray Toft and Dave Nissen represented the Village Board.

## Soo Line Moves To End Service

The Soo Line Railroad has announced that on or about May 13 the railroad will notify the Interstate Commerce Commission that it intends to discontinue its passenger service between Chicago and Superior, and Owen and St. Paul, effective in mid-June.

This would mean the discontinuance of passenger service by the railroad to Antioch.

Mrs. Palm stressed that there is a great need for more foster mothers.

An official of the Antioch Chamber of Commerce said the Chamber is opposed to the discontinuance of passenger service by the railroad.

The Soo Line gives three reasons for ending the service. 1. The services these trains provide is no longer needed. The automobile and air lines, they say, have taken over the former function of railroads in this respect. 2. The Soo Line is losing a great deal of money by operating these trains. 3. If the Soo could discontinue these services and stop these losses, it could move more rapidly to expand and modernize its freight service.

Normally, in cases of passenger-train discontinuances, the Interstate Commerce Commission schedules public hearings at which all interested parties may present their views. It is not yet known when, or if, such a meeting will be held.

Discontinuance of the passenger service would leave Antioch without any regular public transportation to or from the area.

Descendants of pioneers who made their clothes on spinning wheels now lose their shirts on them.—Elkhorn Independent.

## Antioch Area GOP's Back Rep. Murphy

Twenty-seven Republican precinct committeemen from the Antioch area, formerly the 1st Judicial District, elected Helen Burke vice-chairman of the area in a meeting at Haling's Resort on Grass Lake Monday night. Gilbert Meisgeier, precinct 3, was re-elected township chairman. During the course of the meeting, a resolution endorsing the candidacy of Representative W. J. Murphy in the coming election-at-large was unanimously approved by the committeemen.

The area comprises Anti-och, Grant, Lake Villa, and Avon Townships. Twenty-seven of the 31 precinct committeemen of the area attended Monday night's meeting.

Bernard Osmund, Helen Burke and Leo Steffan of Grant were nominated for the office of vice-chairman. None received a majority of the votes on the first ballot, Helen Burke being 40 votes short. The township caucused before the second ballot was taken, and Helen Burke won by 100 votes. She will be one of seven vice-

## A.G.S. Board In Favor Of Older First-Graders

The Antioch Grade School Board, meeting Tuesday night at the school, voted to change its regular meeting night from the second Tuesday of the month to the third Tuesday of the month.

The board voted to employ Mary Jean Rumpf of Arlington Heights as a First Grade teacher at the Oakland School. Miss Rumpf is now employed in a nursery school at Palatine. She is a DeKalb graduate.

The board voted to recommend to the Illinois Association of School Boards that the birthday requirement of first-graders be moved from December 1 to September 15. The recommendation came as the result of a survey of school boards throughout the state by the Association to determine how many would be in favor of requiring that children entering first grade be older than is now necessary. The older entrance date is approved by most educators, according to Mr. Whitaker, superintendent of the Antioch Grade Schools.

Children entering first grade now must be six years old on or before Dec. 1. Under the new ruling, if instituted, their sixth birthday

would have to come on or before September 15.

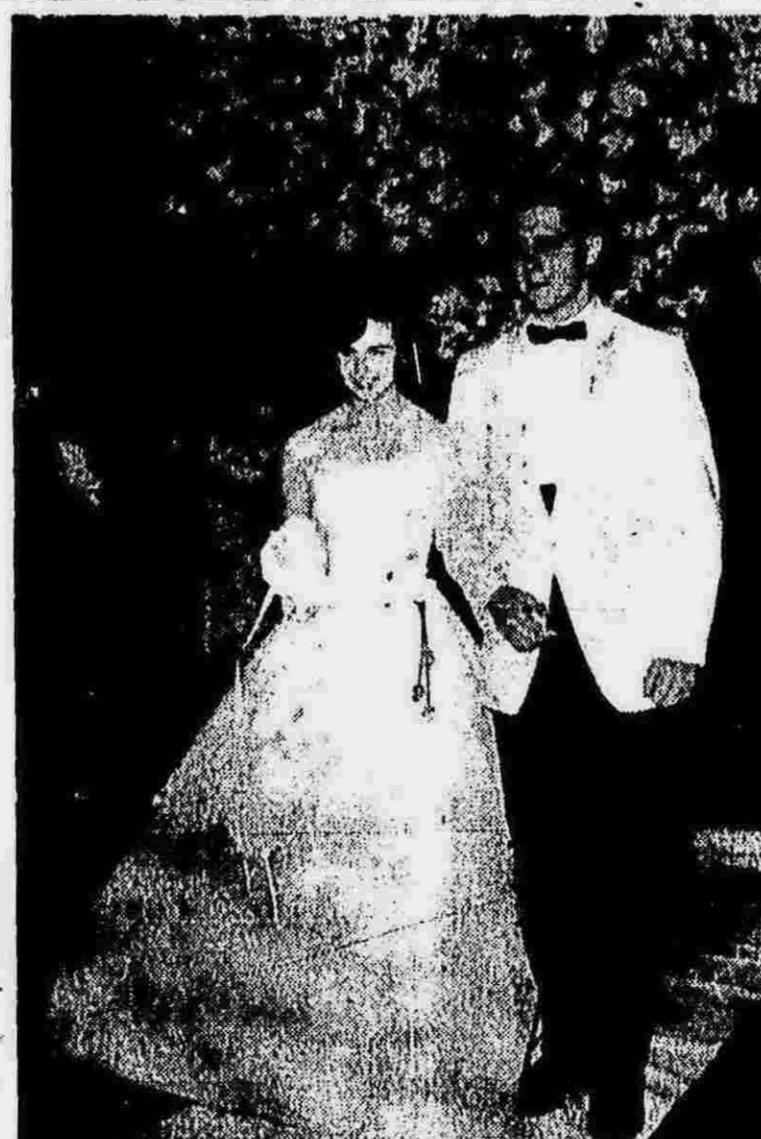

The school board voted to table consideration of application of tuition kindergarten pupils until the July meeting. A survey will be conducted in the meantime to see if there will be room for tuition pupils.

An announcement was made that board members and their wives or husbands are invited to a banquet at the Oakland School on May 21.

The Board authorized the use of school buses to transport members of the Antioch Grade School Band and chaperones to Springfield in June to play for Governor Otto Kerner. The band will leave Antioch at 6 a.m. the morning of June 2, visit New Salem and Lincoln's tomb, and play for the Governor on June 3. They will return to Antioch on June 3.

George Olsar, Director of the band, was given approval of a six-week summer program for the band. The band will play on Memorial Day, and in August for the Shriners' Parade, to be held in Antioch.

In other business, the board (continued on page 5)

BARBARA CLOSE was chosen Queen of the Antioch Community High School Prom last Saturday night. Here she is with Rich Mason.

## Conservancy District To Be Discussed At 3 Meetings In Area

Voters will get a chance to hear a discussion of the proposed Conservancy District, coming up for a vote on May 23, at two meetings in Antioch in the near future, and one at Fox Lake.

A speaker will discuss the

Conservancy District at the

meeting of the Antioch Township Democratic Club on

Wednesday, May 13, at the

Antioch American Legion Hall in Antioch. The meet-

ing will start at 8 p.m.

On May 16, two pro-

conservancy district men will

debate the issue with two

"Con" speakers, Gordon Sergeant, McHenry County, and

Walter Uhvat will present

the arguments against establish-

ment of the district; Har-

land Shaw will be one of the

men presenting arguments

for the district, aided by a

man not yet chosen. An im-

partial moderator will pre-

side over the debate, and

John Morris, Lake County

Health Dept., and the assist-

ant state's attorney will be

present to give advice on mat-

ters of legality. Questions

from the floor will be in-

vited. The four men invol-

ved in the debate will meet

beforehand and establish

ground rules to avoid con-

fusion.

On May 20, the Northern Illinois Conservation Club will feature speakers on the Conservancy District. The meeting will be held at 8 p.m. in the Community room of the Antioch Savings & Loan in Antioch.

Purpose of the proposed

Conservancy District, accord-

ing to its proponents, is to

clean up the pollution in

waters in the North Fox

River Valley. The District

would include a large portion

of Lake, and McHenry Counties. If the district is ap-

proved, a tax levy of .003 per

\$100 of assessed valuation

will be added to real estate

taxes in the district.

When the referendum goes

to the voters on May 23, poll-

ing places for the Antioch

area will be at Channel Lake

School and at Grass Lake

School. The portion of Pct. 1

which is included in the dis-

trict will vote at Channel

Lake School, as will precincts

5 and 6. Precincts 3 and 4

will vote at Grass Lake

School.

Although much of the

rural areas around Antioch

are within the bounds of the

Conservancy District, the

Village of Antioch is not.

Opponents of the Con-

servancy District have formed a

"No-Con" Council and have

several speakers lined up

who will address clubs on the

issue. Julia Chonis is chair-

man of the group.

Opponents of the Dis-

trict feel that the duties and pow-

ers of the proposed District are a duplication of those of the

Public Works Dept. and

the County Health Dept. For-

mation of the District, they

feel, will only create confu-

sion and slow down progress

of other agencies in combat-

ing water pollution.

The Lake County Public

Works Dept. is already work-

ing in cooperation with local

civic organizations, on proj-

ects to build sewers for the

Fox Lake Hills District,

the Ingleside-Long Lake area,

and the Grayslake-Gages

Lake area. Mrs. Chonis, an offi-

cer of the Fox Lake Hills

Drainage District, said their

organization met Tuesday

night with John Morris and

Melvin Mullins, representing

the Public Works Dept.

Mullins said that Con-

so-Townsend Corp. has

been hired to make a survey

of the Fox Lake Hills proj-

ect. Present expectations,

he said, are that actual work

on the sewers will be start-

## EDITORIAL

### A Parking Lot For Main St.

It begins to appear that the long-talked of parking lot east of Main St. may soon become a reality, with the added bonus of an alley to make access easy and safe, and provide for delivery to the stores along the street.

Antioch isn't the only town with a parking problem, of course. It's the headache of every town and city of any size in the country. How to revive Main St. shopping is a recurring subject in every population center.

It would have been nice if someone could have looked into the future fifty years ago, and allocated large spaces of land for the parking lots now needed. That having been impossible, we learn one lesson from past experience—to make a real effort to try to guard against endless repetition of the problem. Parking lots and alleys, both necessities for the orderly growth of a city, are noticeably absent from the zoning map that is at present the only guide the village board has. They should be provided for even if it means that the village board has to resort to condemnation. If it seems an expensive proposition now, you can be sure it will be more expensive in the future.

The new parking lot east of Main St. will, at least, be a considerable help right now. It will take some of the load off the parking lot on Broadway and on Main St., and help relieve congestion on both streets.

Let's hope this effort doesn't founder. It will be a benefit to everyone, merchant and shopper.

### CHRISTIAN SCIENCE CHURCHES

Mortality is a dream from which we need to be awakened. This is the theme of the Bible Lesson to be heard at Christian Science churches on Sunday. The subject will be "Mortals and Immortals," and the Golden Text is from Ephesians (5:14): "Awake thou that sleepest, and arise from the dead, and Christ shall give thee light." Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this: "Mortal existence is a dream; mortal existence has no real entity, but saith 'It is! Spirit is the Ego which never dreams, but understands all things; which never errs, and is ever conscious; which never believes, but knows; which is never born and never dies." (p. 250).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this: "Mortal existence is a dream; mortal existence has no real entity, but saith 'It is! Spirit is the Ego which never dreams, but understands all things; which never errs, and is ever conscious; which never believes, but knows; which is never born and never dies." (p. 250).

### Letters to the Editor

Sent to Building Commission and County Board.

To the Editor:

The referendum April 14 for a \$3.5 million dollar courthouse for Winnebago County was defeated in round numbers 27,000 to 19,000, or approximately 3 to 2 !!! (Since our daily paper made no mention of it, Mr. Robert Heck of the Rockford Morning Star kindly furnished the information.)

Perhaps politicians can toy with public faith too long. That would seem the logical assumption from Winnebago's defeat. In Winnebago, as in Lake County, extra space is needed but—also as in Lake County, the planners decided (with the creation of a Building Commission) to erect, not the functional courthouse that was necessary, but a "magnificent edifice."

The bitterness generated by the long struggle to rid themselves of the Building Commission educated many a Winnebago taxpayer in the language of political double talk—now 3 out of 5 persons refuse to believe there is even the necessity for a functional courthouse.

Many of our Lake County politicians are wont to quote Honest Abe. Perhaps they had best read his classic, "You can fool some of the

### Along The Way with ANNIE MAE

Continuing our policy of devoted public service, we felt that the only thing to do this time of year is to print that famous Dandelion Wine recipe.

Place 1 qt. Blossoms into 1 gal. Hot Water and let stand 48 hrs. add 3 lbs. sugar juice of 2 oranges juice of 1 lemon 1/2 cake of yeast

Let work in crock for 6 to 8 days, then bottle, leaving caps slightly loose.

In case the revoers are reading, this is of course for medicinal purposes only, and also a good reason why the little woman should get out and fight the dandelions. And if you can't fight 'em, join 'em.

A SCOOP FOR YOU: By the time you read this column, Annie says that the Z.B.A. will have given the green light to the Rte. 59 and Grass Lake Rd. shopping center, followed by the announcement of leases of at least three big name tenants. . . . Big John Teresi is wheeling and dealing with so many cars and pieces of property, we're having a difficult time keeping up with him.

NOTES TOO: The John DeBoer's are infanticipating. . . . Did any of you get a glimpse of Weede Keulman making like a tailor on his wind-racked Jewelry store awning last Saturday?

Notice how many husbands and fathers did Mom a real favor Mother's Day, and spent the afternoon on the links? I have to fess up, I was there too!

THE LATEST REPORT: Only Ted Larson could come up with a bank president for a gardener. Yep, it was Bill Brook working with the shovel during the planting of a seedling tree at the Larson domain. . . . Edna and Cap Radke had a real experience communing with nature last weekend when a young squirrel found its way down the fireplace and into their home. Cap finally won out, but it was a tough race. . . . THE LAST DROP: The Larry Pawlowski's now have a full house, made up of 3 Queens and 2 Kings. . . . ### Courthouse Notebook

BY LOU DURBIN

The wooden fence alongside the "old swimming hole" next to the Lake County courthouse may not come down for a while, but it is going to be relocated if Waukegan Ass't. Supervisor George Olsen has his way.

As a member of the county board's building and grounds committee Olsen has felt the brubs of criticism because the west side of the fence overlaps the regular sidewalk forcing people entering the west door of the courthouse to walk in the streets or the muddy parkway.

Anyone who suggests that it is typical County Board activity to block the sidewalk all during the snow and rainy season and then remove the obstruction as summer is coming on is just being unkind to our county board.

State Rep. W. J. Murphy, of Antioch, came in for considerable criticism earlier in the year when he suggested that it might be a good idea to eliminate the Northeastern Illinois Metropolitan Area Planning Commission and transfer its coordinating functions to the state Board of Economic Development.

Murphy made his suggestion as chairman of the State Budgetary Commission, following a special study of the planning group by a team from the University of Illinois which indicated the planners weren't doing the job for which they were created.

So far Rep. Murphy hasn't succeeded in lining up much support for his economy move, but he is cutting the commission down a bit. Well, at least the name is being cut down—and henceforth the commission will be known as the Northeastern Illinois Planning Commission.

This should result in a slight savings on letterhead printing so, perhaps, we should be grateful for small economies.

Incidentally, the NEIPC has received a grant from the federal government to conduct an air pollution survey in this area. Makes one wonder just how you show air pollution on a land use and planning map that hasn't been completed.

The lot of a tavern owner in Lake County is a hard one these days. Things appeared to be loosening up a bit with a little jar and punchboard action, an occasional bing game, and here and there a group of pool players would have a little something going for the dinner.

Along comes a primary campaign, the annual cleanup, and the word goes out.

Along comes some warm, beer-drinking weather, and what happens? The beer truck drivers go on a strike and their beers run low.

\* \* \*

Apparently the Republican precinct committeemen in Judicial District 1 (Antioch, Avon, Grant and Lake Villa Townships) don't read the Chicago newspapers or they would have realized that what the voters up here have to say carries little weight in Cook County.

Otherwise why would they have bothered passing a unanimous resolution recommending to the legislative convention in Springfield on June 1 that Convention Delegates State Rep. John Conolly and Rep. Murphy be slated as candidates for State Representative in the November election.

There are also quite a few

people all of the time, and all of the people some of the time, but you cannot fool all of the people all of the time."

In Lake County, as in Winnebago, the time for fooling "all of the people" is past; the "some of the people" who can be fooled "all of the time" is dwindling rapidly. Nobody—but nobody—believes the Courthouse is free for we all know that the .047 County tax is still with us, that the County collects 3% from every tax dollar paid and that the County Board stands ready to levy .05 to pay the rent to the Building Commission if ever there is a building to rent.

May I suggest that our County Board exhibit the courage and leadership we expect our elected representatives to possess by dissolving the Building Commission and putting a 3 to 4 million dollar Courthouse on the ballot in November?

The bitterness generated by the long struggle to rid themselves of the Building Commission educated many a Winnebago taxpayer in the language of political double talk—now 3 out of 5 persons refuse to believe there is even the necessity for a functional courthouse.

Many of our Lake County politicians are wont to quote Honest Abe. Perhaps they had best read his classic,

"You can fool some of the

### Used Car Economics

Two used cars change hands for every new car sold and better than three out of five motorists have NEVER purchased a new car.

The reason for this is mainly price, of course. But there is a very large percentage of drivers who consistently buy used cars, in preference to new, even though they could easily afford a new one. They do it because they are convinced they are making real savings in avoiding the big depreciation drop in the first few years.

If the motorist buys wisely, there is much to be said for this reasoning. Especially with the NEW compacts appearing on the market at comparable prices and forcing a lid down on what a large quality used car will bring.

There are pitfalls though. And no matter how carefully a used buyer checks his prospective purchase, he stands a real risk of losing his savings in future repair bills unless he knows his dealer.

At JOHN TERESI Chevrolet Oldsmobile, Inc., 865 Main St., Antioch, we have five fundamental rules to help protect you: we never knowingly misrepresent a car to be something it is not; we never retail former taxicabs or police cruisers unless they are specified as such and priced accordingly; we never sell cars which have been in a major collision; all cars are plainly labeled with the optional equipment specified; the name and address of the former owner is available on request.

It might seem on some occasions that you pay a little more. But you END UP with a lot more for your money. The cars you might have bought cheaper have been wholesaled in large city auctions where they are disposed of to used car dealers who turn them over at a profit.

Of course, as in the case of some other wars, the euphemistic "War on Poverty" is apt to be extravagant, chaotic and fraught with excessive, dictatorial power.

JOHN TERESI CHEVROLET-OLDSMOBILE, INC.

## DEATH NOTICES

JOHN ZABRAN

John Zabran, 104 3rd Avenue, California Subdivision, died Wednesday, May 16, at 6 a.m. at his home after a four-month illness. He was born May 1, 1880, in Chicago, and lived near Antioch for 13 years.

He was a retired superintendent of the Western Electric Co. in Chicago. He served in the army during World War I. He is survived by his wife, Lillian, and two sons.

The body was taken to the Chapel at 6507 W. Germak Road, where services will be held Saturday, with interment in Bohemian National Cemetery. Local arrangements were made by Strang's Funeral Home.

☆☆☆

ROSS ANDERSON

Ross Anderson, 62, of Pasadena, California, died Saturday morning (May 9, 1964), after a long illness. He is survived by his widow, the former Elma Cannon, of Millburn; two daughters, Mrs. Jane Striplin and Mrs. Beverly Adler of Pasadena; two brothers and one sister.

His widow, Elma, last resided in Millburn about 30 years ago. She attended the Antioch High School.

☆☆☆

BERNARD G. FOX

Bernard G. Fox, 64 years old, of Ackerman Drive, Shaw's Subdivision at Grass Lake, died Tuesday, May 12, suddenly from a heart attack. Mr. Fox had suffered from

## Experiment In Better Use of Teacher's Time

What do teachers do when they're overworked? They teach more classes.

At least that's what one experiment at University High School, Urbana, is doing. And the experiment might lead to a more efficient use of teaching time—least that's the hope of David Pease, language teacher, at Uni High.

The experiment involves teaching two classes: German I and Russian I, in the same time period.

"We're experimenting with an increased variety of use of teacher time," Pease says. "We want to see what can be done in the way of multiple teaching."

The shortage of qualified

heart disease for the past year.

He was born Jan. 22, 1900, at Gardner, Ill. He served in the U. S. Army during World War I. He moved to Chicago in 1919 and to Antioch in October, 1963. He married Hazel G. Guimaelius on April 30, 1952, in Chicago.

He was a retired metal worker, having retired July 1, 1963. He was a member of Lathers Local No. 74.

His wife, Hazel, is his only survivor. Services will be held at the chapel at 8622 S. Stoney Island Avenue in Chicago on Friday, with interment in Chapel Hills Garden South Cemetery in Oak Lawn. Local arrangements were made at Strang's Funeral Home.

☆☆☆

**BERNARD G. FOX**

Bernard G. Fox, 64 years old, of Ackerman Drive, Shaw's Subdivision at Grass Lake, died Tuesday, May 12, suddenly from a heart attack. Mr. Fox had suffered from

## Will Speak On Oral Cancer

Walter W. Dalitsch, M. D., D.D.S., of Lake Bluff and Chicago, will speak on "Oral Cancer" at the seventeenth annual meeting of the Lake County Unit of the American Cancer Society on May 21. The meeting will begin with dinner at 6:30 p.m., at the Charette House, Green Bay Road and Route 120, Waukegan.

Dr. Dalitsch, Associate Professor, College of Medicine, University of Illinois, attending surgeon of Cook County Hospital, and consultant for U. S. Naval Hospital at Great Lakes, is one of about one-hundred surgeons in the United States who hold both degrees of doctor of medicine and doctor of dental surgery. Dr. Dalitsch is a member of this group's organization called the American Society of Maxillo-Facial Surgeons.

Contributions to the Cancer Crusade up to the present total \$45,000 in Lake County, according to William B. Ahart, County Crusade Chairman. The goal of \$70,053 will be reached if anyone who has not been asked to donate money or anyone who intends to give money but has not done so will send contributions to the unit office, 228 N. Genesee Street, Waukegan.

Pease notes that on test results, this year's German I class is doing as well as last year's class.

"In Russian, we have no comparison, since this is the first year we've offered Russian," Pease states. "In German, I believe last year's class had little more ability than this one, although that's hard to judge. The fact that test results show this year's class to be doing as well speaks well for the program, I believe."

Not everything is absolutely perfect with the plan. For one thing the youngsters, as teen-agers (and the rest of us) have a habit of doing goof off. "They get done ahead of time," Pease said. "And then they just kill time."

In spite of some snags, however, present plans are to expand the program not only next year, but to continue expanding the plan until it is operating through

four years of each subject.

During the fourth year, the current thinking is to use a split week, rather than a split class period.

This year, Pease is doing the whole job himself. Next year, however, he'll have an assistant to help him keep an eye on the class and grade papers.

"It won't be a teaching assistant, however," Pease emphasized. "It will be a teacher's assistant." I'll do all the teaching."

The plan seems to offer some answers to the teacher shortage—not so much that fewer teachers will be needed, but that they'll be able to spend a higher percentage of time doing what they're trained to do—teach.

## Lindenhurst News

By Mrs. Bernice Barnau Elliot 6-3649

### LAKE VILLA CHURCHES

#### Prince of Peace Church

Mrs. Edward (Marcia) Rosol, president-elect of the Prince of Peace Altar and Rosary Society will be installed at the June 3 meeting.

Other officers serving this year will be Mrs. Donald (Gabitel) Oelerich, first vice-president; Mrs. Thaddeus (Renee) Skora, second vice-president; Mrs. Charles (Ruth) Huber, secretary; and Mrs. Richard (Bernice) Zegan, treasurer.

**Another Mass** — Starting Sunday, May 17, there will be a 7 o'clock mass, besides the regular 8, 9, 10 and 11:15 o'clock masses.

#### St. Mark Lutheran Church

The Miriam Circle will meet at the church Thursday evening, May 14, at 8 p.m. Mrs. Hlavin will be the hostess.

The Luther League will meet at 5:00 p.m. at the church Sunday, May 17. A supper will precede the social. Members are asked to come dressed for volleyball and other outdoor games.

The George Pickets and the David Elsons provided the means with which to purchase the 160 potted marigolds and begonias, for the pre-schoolers and Sunday School children to give to their mothers last Sunday, Mother's Day.

Pastor Harold I. Nelson was reelected to the Evangelical Committee of the Illinois District. He attended a conference May 5 through 7 at Pere Marquette hotel in Peoria, reporting to more

than 500 delegates.

#### Lindenhurst Garden Club Installs

Seventeen members and guests of the Garden Club attended the installation dinner at the Country Squire in Grayslake last Thursday evening. Mrs. Sam Lobrillo presented your correspondent with a corsage from the Club in appreciation for the publicity given them. (I was also their dinner guest. The recognition was greatly appreciated by me.)

Mrs. Armand Bourque swore in the following officers: Mrs. Gus Fabry, president; Mrs. Denver Shore, vice-president; Mrs. Lobrillo, corresponding secretary; and Mrs. Warren Frontzak, treasurer. Mrs. Gerald Hazel, recording secretary, wasn't present. She had just come home from the hospital that day.

Two of the past presidents, Mrs. George Skelton and Mrs. Hubert Bechtol, were presented with corsages. Mrs. Donald Ringstymeyer, who had served as president for two years and who was instrumental in having the Club affiliated with the Garden Clubs of America, was not present. She moved away some time ago.

Mrs. Lobrillo pinned the president's pin on Mrs. Fabry. Mrs. Fabry has been a member of the Lindenhurst Garden Club for six years. She is publicity chairman for the Long Lake Garden Club and was their recording secretary for two years.

**Grandparents** — Mr. and Mrs. Gus Fabry are the proud grandparents of an 8½ pound little boy. Their daughter-in-law, Dena, gave birth to James Fredric on May 5. Fred is a teacher.

#### Entertains Chorus

Alice Bechtol entertained the twelve members of the Antioch High School Swing Choir at an indoor barbecue last Thursday evening in her home.

#### Hospital Patient

Mrs. Roberta Hazel was a patient at Victory Memorial Hospital three days last week.

#### Join VFW Auxiliary

Helen Guzski and Mary Zanck joined the VFW Auxiliary last week and were initiated as members. Installation of officers will take place Sunday, May 24, at 2 p.m. Guests are welcome.

#### Citizen's Party Meeting

The Lindenhurst Citizen's Party will meet Sunday, May 17, at 3 p.m. at the B. J. Hooper School on Sand Lake Road. If you are interested about what's going on in the village, and what they plan to do about it, attend.

#### Poppy Day

Members of the VFW will be in Linden Plaza and Lake Villa Friday and Saturday, May 15 and 16, selling the poppies made by handicapped veterans. Every cent collected goes to help the patients in the Veterans' hospitals in this vicinity. Be generous with your donation.

#### Birthday Party

Gary Lobrillo had a few of his little friends in last Tuesday to mark his fourth birthday.

#### Lions Club Dinner

Last Friday night was Ladies' Night for the Lions Club and several people had dinner at the Lindenhurst Civic Center, and heard a talk about fraudulent selling and Mother's Day.

#### "AN ANSWER TO PROBLEMS OF ENVIRONMENT"

Listeners will learn that man's only real environment is the atmosphere of divine Love, and as we bring our everyday thoughts into harmony with this Love, we find more of it being expressed in our human environment.

ponents 78 to 39 on Antioch's clinders.

Bruce Dalgaard started the rout by finishing first in the 120 yard high hurdles with a time of 16.1, one of his best times this season.

Tom Morgan and Jim Ellinger followed in quick succession with a 10.2 hundred and a 2:05.8 half mile respectively to add 10 more points to the Sequoits' total. Brady and Weber finished second and third in the hundred in the event.

The Sequoits continued to dominate the meet as the Sequoit 880 relay team breezed home first with a time of 1:35.5 and then Tom Tantlinger took another 5 pointers with 54.3 effort in the 440.

Dalgaard finished second in the 180 yard low hurdles behind Cooke of Lake Forest to boost the Sequoits' point total again. Wojnowiak placed third behind Enden and Glenn of Lake Forest in the mile run and then the Sequoits got back in the first place column when Tom Morgan came home with a 23.4 time in the 220.

The Antioch relay team easily won the mile relay, running it in 3:44.5 compared to 3:56 for Lake Forest. In the field events Vince Casella threw the shotput 49' 7 1/2" for first place and Bob Schenk cleared the high jump at 5' 10" for first in that event.

Jim Sheppard went over the bar in the pole vault at 9' 6" to take first in his event, accounting for the last first-place finish for the Sequoits. Edwards and Smith added second place points in the high jump and the pole vault respectively.

The Antioch Fresh-Soph had their day also as they topped the Lake Forest preps 65 to 39.

### Falcon Trackmen

#### Beat Waterford

By John Halsen

The Salem Central track team won its first meet of the year by outpointing Waterford 63-55 at the Salem track. Lyle Foulke was a standout as he picked up two firsts and a third.

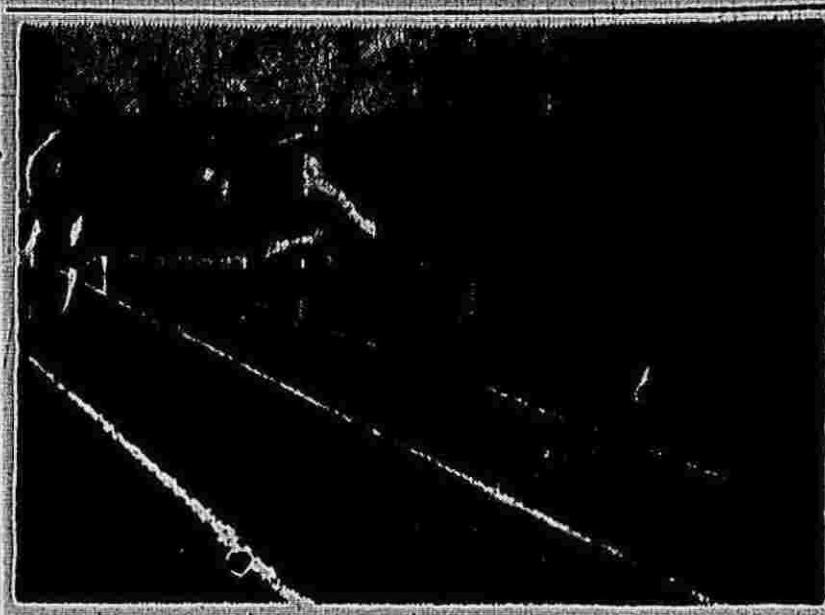

Waterford took 8 firsts to Salem's 6 but the Falcons had greater depth in the scoring. Foulke was first in the high jump and broad jump. Other firsts for Salem were recorded by Don Farm in the mile, Dick Pfluger (880) and John Hansen (shot put). Salem's Medley relay also won, despite a bad hand off in which the baton was dropped.

#### Described

Black—"Bill is to be maid of ceremonies at the banquet."

White—"You mean 'master' of ceremonies. Maid of the ear."

Black—"That's it exactly."

BRUCE DALGAARD (center) takes one of the hurdles in the 180 yard low hurdle event Monday evening against Warren. Bruce finished second but the Sequoits overwhelmed the Scouts to register their first track victory over Lake Forest in over 10 years.

## Sequoit Nine Drop Two

The Antioch baseball squad dropped both ends of a double header Saturday to the Warren Blue Devils at Gurnee. The Sequoits lost the first game in extra innings 5 to 4 and then were the victims of a no-hitter pitched by Bill Padgett of Warren.

In the first contest Warren scored twice in the first inning and held that lead till the fourth. In the fourth Norbert Wolter led off with a single only to be forced out on a fielder's choice hit by Wayne Sanders.

Sanders stole second and then scored on an error by the second baseman off a ball hit by Bob Lenczewski. Jim Barnstable then singled, putting men on first and second. Dean Denman sacrificed, moving Barnstable and Lenczewski to second and third.

Dick Davi's and Terry Schneider hit back-to-back singles, scoring two runs to put the Sequoits in the lead 3 to 2. Warren again took the lead, scoring 2 runs in their half of the 6th inning.

In the seventh Wolters again led off with a single and moved to third on a sacrifice bunt by Jesse Imman. Lenczewski popped out to the catcher. Wolters scored on an error by the shortstop off a ball hit by Jim Barnstable.

With the game in extra innings, Warren scored one run and held the Sequoits, to take the victory 5 to 4.

In the second game, pitcher Bill Padgett walked the first three Sequoits he faced and then proceeded to pitch a no-hitter. Padgett ended with 13 strikeouts and three walks.

Jim Wojczyński was the loser in the first game and Bob Lenczewski took credit for the loss in the second.

Foolishness is not always wicked, but wickedness is always foolish.—Chetek Alert.

### Salem Takes Second In Two Meets

The Burlington Demons dominated a triangular meet with Salem and Walworth-Big Foot by piling up 84 points to Salem's 40 and Big Foot's 24. The Demons took 12 of the 14 events.

### Salem Central Wins After Nine Losses

By John Hansen

The long wait is over! After nine straight losses, the Salem Central baseball team finally won a game. The Falcons won 7-3 in much the same manner that nine others had used in beating them. The Falcons were outfit but took advantage of the other team's errors and walks to win. Salem scored 6 runs in the last two innings to snatch the elusive margin needed for victory.

Sundstrom (the pole vault) to account for the other two firsts. Four others took seconds for Salem: Dick Pfluger (880), Don Farm (mile), Bob Schroeder (pole vault) and Lyle Foulke (high jump).

In the triangular with Mukwonago and Elkhorn it was Mukwonago who dominated. The Indians compiled 69½ points, Salem 39½ and Elkhorn 12. Grumbiss and Sundstrom once again accounted for Salem's only firsts. Although he didn't get a first, Lyle Foulke was the top point man for the Falcons. Foulke had thirds won the low hurdles and Don

## Young Men Urged To Apply For Service Academies

Congressman Robert McClory (12 Dist., Lake Bluff) is now accepting applications for nominations to the United States service academies for the year beginning June 1965. He urges all interested and qualified young men in the 12th District to make application to him; Robert McClory, M.C., 1630 New House Office Building, Washington, D.C., 20515.

Applicants should be residents of the District, 17 years of age by June 1965, have good scholastic records and be in excellent physical condition, including 20/20 vision.

There will be a Civil Service qualifying examination on July 13, August 10 and September 17. Nominations will be announced by January 31, 1965. Congressman McClory will have appointments this year for the Air Force, Naval and Merchant Marine Academies.

## P.M. & L. Wants A Stage - Struck Cat

Do you have a stage-struck cat? He may be just right for the one remaining role to be cast in the PM&L's next production, "Everybody Loves Opal." Just a common garden variety cat is needed to fill the role of "Mr. Tanner."

Mr. Tanner lives with Opal behind the New York City dump, and when three shady characters move into her third floor rooms the comedy begins.

Pallete, Masque & Lyre presented "Everybody Loves Opal" last summer, and now are bringing back the original cast for just one weekend, May 22 and 23, at the PM&L Theatre on Main St., in Antioch.

The cast includes Dee D'Isia as Opal, Bob Andresen as Brad, Alan Moorman as Sol, Joan Tanner as Gloria, Stan Sutherland as the doc-

tor, and Dave Miller as the cop.

Miss Joan Tanner plays Gloria, a Brooklynite gal complete with accent. Joan is a Senior at A.C.H.S. and this is her first PM&L role. However, Joan has appeared in several high school produc-

tions.

Mr. Alan Moorman playing the big, slow-thinking, tough guy is a favorite character actor of Antioch audiences. PM&L fans will remember Alan most recently as Mr. Appopotous in "My Sister Eileen." Alan has taken an active part either backstage or as an actor in most of PM&L productions.

Tickets are available at the State Bank, or from any PM&L member.

By the way, tryouts for "Mr. Tanner" will be held at 2:30 p.m. May 16, in the PM & L Theatre.

## Illinois Tax Facts

While we can't take them off our income tax as dependents, it costs each family in the county \$278 for its share of the Federal civilian employees payroll this year. Maurice W. Scott, Executive Secretary, Taxpayers' Federation of Illinois, said today. Total payroll costs for fiscal 1964 are estimated at \$16.2 billion.

In 1963 the payroll cost for about 2.5 million Federal civilian employees amounted to over \$15 billion, or \$286 for every American family.

The Federal government has announced that it hopes to cut back the number of employees by 8,465 fewer workers. "While not a big reduction, it amounts to about one-third of one per cent, at least it is a start in the right direction," Scott observed.

In 1954 the per family cost of the Federal civilian worker payroll was calculated at \$186. There were about the same number of employees, but the payroll total was \$9.5 billion. In the years since then, however, while overall civilian employment has remained relatively steady, ten pay raises have been granted, so the cost of paying the workers has increased tremendously.

A boost in Federal pay was defeated a few weeks ago, but has now been reintroduced minus the Congressional raise. One estimate of this defeated measure indicated that the cost to taxpayers was about \$700 million for the more than 1½ million Federal employees who had already received an automatic pay raise earlier this year. The last hike followed legislation in 1962 which provided for a two-step raise.

The projected pay boost was defeated by Congressmen who saw something peculiar about trying to cut taxes by \$11.5 billion, cut spending by \$500 million, run a \$5 billion Federal budget deficit—and give a pay raise, all at the same time.

Representative Gross (Ia.) recently noted that legislation had been introduced to underwrite overpayments to employees of the Federal government of \$100 million in five recent years. This estimate was made by the Comptroller General's Office and points up the need for economy.

Scott said, in conclusion, "That Congress and the Administration should be urged to stand fast for the reduction in Federal civilian employees."

## Employers Must Bank Taxes By May 15

Employers liable for income tax withheld and social security taxes in excess of \$100 for the month of April must place such taxes in a depository. District Director E. C. Coyle, Jr., of the Internal Revenue Service in Chicago, reported today. Stressing the importance of compliance with the deposit deadline of May 15, 1964, he added that Form 450 must be used for this purpose.

Deposits must be made in local authorized banks, or Federal Reserve banks, said Mr. Coyle.

## Inside Antioch High

By Marilyn Gras  
Barbara Close and Bruce Dalgaard reigned over the Prom last Saturday evening. Their royal court consisted of Carol Hilbar, Nancy Erickson, Kathy Lessard, Norma Blumenschein, Rich Mason, Jim Effinger, Bevile Smith, Tom Morgan, and Paul Lindblad. The gymnasium of the school was transformed for the dance into a springtime wonderland with the theme of "Apple Blossom Time."

Lee Cramer and Glen Oettedahl took their science projects down to the State Exposition last weekend and both received first awards. Both boys are freshmen and plan to continue working on and improving their projects for next year.

Honor assemblies have been scheduled for this week and next week. The first one was held yesterday at 1:45 and the other will be held next Wednesday at the same time. At these assemblies such awards as those from organizations in town, National Honor Society and Seniors honor are given out.

Along with the close of the school year the time of Final Exams is rapidly ap-

and Shad Richards and Paula and Jack Larson.

High season average trophies were won by Pearl Kapell, 145, and Ray Atwood, 179.

High game trophies went to Valerie Corbel, 261, and Shad Richards, 274.

High series trophies went to Glen Neau, a 645 series, and Eddie Zaitz, 700.

The most improved average award went to Joan Zaitz, who showed a 16-pin increase, and Lee Neau, a 12-pin increase.

Valerie Corbel also received an award for her 100 pins-over-average game.

Gerry and Seth Mark of Chevall's team won the consolation trophy for last-place team.

proaching. Seniors will be dorelassen will take their tests on Thursday and Friday, May 29, and un-

LEE A. CRANER AND GLEN OFTEDAHL took firsts at the Illinois Academy of Science at Champaign with their Science projects.

## Students Science Projects Win First At Champaign

Glen Oftedahl and Lee Craner, Antioch Community High School students, both took firsts in the Illinois Jr.

Academy of Science at Champaign last Friday (May 8).

One thousand students from all over Illinois displayed their projects at Champaign. The boys took first at the Science Fair at Antioch High, which made them eligible for the District competition at Lake Forest, where both again received firsts, before going downstate.

These are individual projects, chosen and worked up by the students outside of their regular curriculum. William Seemann is sponsor of the Antioch High School Science Club.

Glen Oftedahl's prize-winning project was an automatic Wilson Cloud Chamber. Glen explains: "A Wilson Cloud Chamber is a device used to make the paths of atomic particles visible. The ability to see these sub-atomic particle tracks is valuable to physicists studying the atom."

In my unit, a quantity of air is put into a supersaturated condition. When an atomic particle passes through the chamber a trail of droplets condense upon the ion trail left by the particle. These tracks may be photographed and later studied. Without the invention of the cloud chamber our knowledge of Atomic Energy would be far less than it is today."

The Honor Roll for the fifth Six weeks period is as follows:

First Grade: Michael Harland, Scott Herman, and Darrell Quirk.

Second Grade: Donald Herland, Cindy Meierdink, and Janet Barnes.

Third Grade: William McConahay, Gary Rush, Roger Sankey, Sharon Swiderok, Betty Waters and Helen Zobus.

Fifth Grade: Patty Sue Winbs, Edward Krupo, James Waters, Mike Geiger, George Lynch, Marjorie Scanlon, and Mary Lee.

Sixth Grade: Donald Dill, Susan Turner, Belle Zobus, Debra Stankus, Calvin Baker, and Bruce Barnes.

Seventh Grade: Joe Andriolo, David Baker, Randy Roberts, Charles Waters and Joyce Waters.

Eighth Grade: Wendy Eberman, Terri Portalski, Martin McConahay, John Bjork, Craig Patterson and Ann Stanek.

The annual Scout Show and Camporee of the Northwest District, of the North Shore Area Council, Boy Scouts of America, will be held on May 15-16-17 this year at the Lake County Fair Grounds.

Gates will be open to the general public at 1 p.m. through 8 p.m. The Camporee will be in progress during the show and parents and friends can visit the indoor show and the Camporee during the afternoon and evening on Saturday.

The indoor booth show will have displays of all types of skills and handicrafts, displaying the many forms of Scouting skills.

More than 60 Cub Scout Packs, Boy Scout Troops, and explorer Posts totalling approximately 2,000 boys from the western half of Lake County will take part in the event. From the Antioch area, Packs 192 and 300, Antioch; Pack 80, Grass Lake; Troops 91 and 92, Antioch; and Troop 86, Channel Lake, will join in the Camporee.

## IT'S TRADE 'N' TRAVEL TIME AT YOUR CHEVROLET DEALER'S

Five different lines of cars—forty-five different models to choose from. Come early and trade great!

New that spring's in full swing, you'll find new Chevrolets perfect for picnics.

Luxury—First, there's the big Jet-smooth Chevrolet. Sumptuous and soft riding. Over 700 sound stoppers throughout the car to blot out noise. Interiors luxuriously done up in the newest and softest vinyl.

Trade what you're driving for one of these, and you won't want to trade seats with anybody else on the road.

Spirit—Next, Chevelle. The beautifully in-between size car that combines small car handling oomph with big car comfort. Eleven different models that you can equip with just about any extra-cost option you can imagine. No place to go this summer? Get a new Chevelle—you'll think of something.

Economy—Chevy II—the car that takes to inexpensive vacations naturally. It just goes and goes, and where it stops nobody knows. Eight models to pick from, including wagons with enough room to swallow up an eight-foot Christmas tree. (Plan ahead, we always say.)

Fun—Then there's Corvair. The fun one with the engine in the rear for unbelievable traction. Spring mud, summer sand, winter snow—nothing stops it.

Corvette. The enthusiast's car. Sting Ray Sport Coupe and Convertible. Still America's only true sports cars. They do for your driving what holidays do for kids.

Performance—and with any new Chevrolet you choose, you can pick from a wide range of standard or extra-cost high performance engines.

Either way, whether you've got some place special to go this summer or not, when you trade for one of Chevrolet's five great highway performers— you'll travel!

THE GREAT HIGHWAY PERFORMERS—Models shown top to bottom: Corvette Sting Ray, Corvair Monza Spyder, Chevy II Nova Super Sport Coupe, Chevelle Malibu Super Sport, Chevrolet Impala Super Sport.

## WHY THE SOO IS DISCONTINUING THE LAKER

The Soo is giving notice that in mid-June the Laker between Chicago and Superior will be discontinued. So will passenger service between Owen, Wis., and St. Paul.

For many years, the Soo has attempted to adjust its passenger services to the indicated need for them. The inescapable fact is that the Laker and its St. Paul connection are no longer needed by enough people to justify their operation. Where once mail and express moved in considerable volume, now the trend is to trucks.

So today, the Soo incurs heavy losses by operating the Laker. The loss in 1963 on all four trains together was in excess of \$375,000. Considering the further loss of mail last month, the annual loss in the future will exceed \$520,000. This is a financial burden that neither the Soo nor the freight shippers who compose the vast majority of the Soo's customers can allow to continue.

The Post Office does not need the Laker to handle mail. The trains provide only surplus service under the new Zip Code system of distribution. REA Express shipments will be provided good service through other methods of transportation.

When the need is no greater than this, and when operating costs are becoming harder to keep in line as wage costs and material prices increase, we can only move to stop this annual half-million-dollar loss now. If we didn't, we'd be neglecting our greater obligation to those who do use our services, who rely on the Soo for modern, efficient freight transportation. More facts on the case for discontinuing the Laker are available. A post card to the Public Relations Department, Minneapolis 55440, will bring them to you.
